

# The Man With The Brown Face

**The Man With The Brown Face** - William Eric Brown, of Fort Worth, Texas, died on Jan. 29 after his e-cigarette exploded in his face and cut a major artery in his neck. Face of Man is a Sydney based Male Grooming Salon specializing in Male Skin Care and Male Skin Care Treatments William Brown's death certificate says he died from "cerebral infarction and herniation" after debris from the exploding vape pen dissected his left carotid artery. Kevin\* was an impressionable teenager when he started bleaching his skin. But 13 years later, the scars on his face, arms and neck are a testament of his regret. "I ...
